Dear Member

Implementation of General Practitioner (GP) Network

After receiving a number of requests from members for GP's that charge "Scheme Rates", the Trustees have taken a decision to introduce an Associated GP Network across both the Standard and Extended options. The GP is viewed as the primary co-ordinator of healthcare and plays a vital role in advising, guiding and co-ordinating comprehensive care.

All GP's on the Associated Network have been profiled, rated by their peers and placed into categories. The GP's that are rated as category 1 or 2 will receive an enhanced consultation fee.

- Category 1 GP will receive an additional R42.
- Category 2 GP will receive an additional R17.

The enhanced consultation fee will be paid from the scheme's risk benefit and will not come out of the members benefit or from savings. The enhanced payment to the GP's will ensure that members are charged the Scheme Rate. Should you be charged a co-payment by any of the GP's on the list, please advise us immediately.

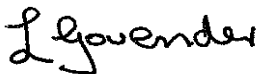

The Associated GP Network will be in place effective 01 June 2011. From June to December 2011, utilisation of the GP's on the Network will be on a voluntary basis and no penalties will be applied to members that do not utilise the Network GP's. The Trustees will review the Associated Network for 2012 and will consider making it mandatory for all members.

Please find enclosed a list of GP's and Practices that are currently on the Associated GP Network. Due to the list being extensive, you will receive a list with the GP's in your Province only. A list with all the GP's and Practices can be accessed from the Scheme Website, www.nampakhealth.co.za or Nampak's internal site, **iNsight**. Alternatively you can call the Scheme Contact Centre on **0860 10 10 47** and request a list.

If your current GP is not part of the Associated Network and would like to join, please ask your GP to contact Allan Moodley (Provider Liaison) on **031 573 4179** or email allan.moodley@momentum.co.za and join the Network.

Should you have any queries in this regard, please do not hesitate to contact the call centre on **0860 10 10 47**.

Yours Sincerely

L Govender
